

Product Update: Winter 2011

To test any of the products below you can contact your Stoma Care Nurse, delivery company, or the manufacturer directly.

To ensure ongoing company support for Ostomy Lifestyle, please mention this leaflet when you call.

THE **Natural** CHOICE FOR A PERFECT FIT

NEW Confidence® Natural features a unique, five-sided Flexifit® wafer, so it offers greater comfort, flexibility and fits more securely to the body's natural contours. It's even infused with extracts of Aloe Vera for smoother, softer skin. For free samples or further information, call FREEPHONE 0800 626388, or visit www.saltsstomacare.co.uk

Odour Neutralising Absorbent Gel

OstoSORB takes away the worry by managing noise and embarrassing leaks. OstoSORB absorbs excess fluid within the pouch and contains a highly effective odour neutraliser to help eliminate odours.

- Neutralises pouch odour
- Absorbs excess fluid
- Dissolves completely within the pouch
- Safe and easy to use
